THE ST. REGIS

ONE CITY · ONE DAY · ONE VISION

A Bridge Between Brands & Visionaries

archinet™ by Riverstone Networking Services is an invite-only gathering that unites India's most discerning Principal Architects and Interior Designers with the country's most innovative building-material and design brands.

More boutique salon than trade expo, archinet™ is built for unhurried, one on-one conversation the kind that moves design forward, rather than footfall for its own sake.

'Our philosophy has always been more than ROI. We truly bridge the gap.'

Since 2022, archinet™ has hosted thirteen editions across Mumbai, Bengaluru, Hyderabad Ahmedabad and Pune. For 2027, we return to where it all began - Mumbai with a single perfectly-paced day designed for depth over scale.

A PAST EDITION OF ARCHINET™

BUILT OVER TIME.

From one idea to a curated design network.
